**BLUE DANUBE**

The perfect dinnerware always.  
At formal dinner, tea, luncheon or buffet.  
Permanently sealed under glaze.  
Blue Danube China is craze-proof.  
That means more years of service to you.

If Nobility ever had  
to claim a pattern  
for its own: The  
Blue Danube is  
surely the one.  
Indeed, its exquisite  
design has been  
reverently chosen  
by Royal families  
of distinction  
for centuries.

The design of The  
Blue Danube (here

represented in true  
Meissen Blue) is  
first attributed to  
the German artist,  
Kandler. And is  
based on the most  
beautiful symbols of  
ancient Chinese and Far  
Eastern art. Depicting the  
flowers of good fortune  
and happiness: no wonder  
it's become the world's most  
famous pattern of all.
